

1970 Varsity Football

This year's Varsity football team, physically one of the smallest in Piedmont's history, can be described only as fantastic. Despite their inexperience and injuries to key players, the 1970 Clan, who were predicted to finish the season in last place, were able to put together a respectable 5 won, 4 lost record.

Junior Varsity

Despite a poor season record, the Junior Varsity's "we-will-try-harder" attitude unified the team. With experience, the JV's should excel in all areas of football.
