

1972 FAL Co-Champions

The 1972 Varsity Football team can be described only as amazing. Picked to finish near the bottom of the league in a pre-season poll because of their small size and little depth, the Mighty Mites surprised everyone but themselves by ending up as Co-Champions with Miramonte.

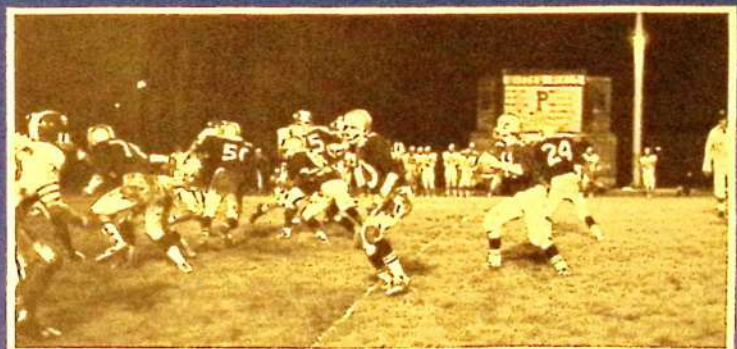

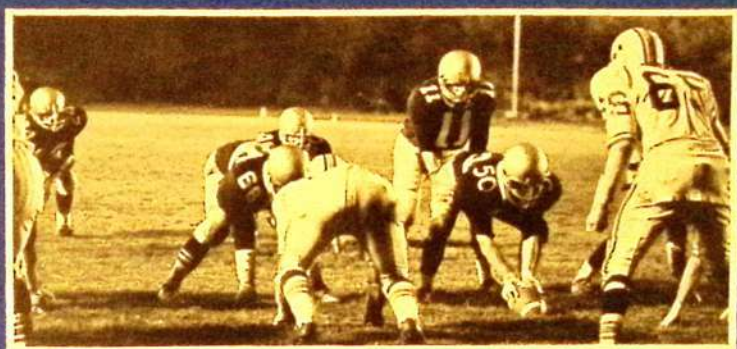

Both teams had identical 7-1 records.

After losing a pre-season game to Skyline, the Clan won six in a row before bowing to Miramonte under miserable field conditions. Five words sum up what the team had this year and why it was a winner:
